

BANJO

1. Decorate with Crayola® Crayons or Markers.
2. Cut out the handle and the head. Glue to a piece of heavy cardboard. For example, a recycled cereal box or packing box.
3. Cut out the inner circle of the body shape. Glue to the top of a tissue box.
4. Wrap four rubberbands around the tissue box.
5. Tape or glue the head to one end of the handle.
6. Tape or glue other end of the handle to one end of the tissue box.
7. Strum your fingers over the rubberbands and make your own music!
