

**Apples can be different colors.** What are the many colors of apples? Choose different colors for some of the apples drawn here. Taste several different types of apples. Make a chart that shows which color apple is the favorite in your family.

**Saying the Letter A.** The letter A has several different sounds. The A in apple sounds soft, like "aaa." The A in acorn sounds just like the letter name, "A." The A in father is "ah." Have fun saying different "A" and "ah" sounds.
