

Let's explore

Wisconsin's Dairyland

Dairy Farm

Wisconsin's 15,000 dairy farms produced 13% of all milk and 27% of all cheese in the United States in 2004.

HOLSTEIN

Milk STATE BEVERAGE

Every Wisconsin student needs 3 servings of dairy products every day for strong bones and good health.

A piece of cheese the same size as your thumb has the same amount of calcium as one cup of milk.

Limburger Cheese

Monroe is the home of the only Limburger Cheesemaker in the United States.

Swiss Cheese

Wisconsin is home to 115 cheese plants that produce more than 500 varieties, types and styles of Wisconsin cheese—nearly double that of any other state.
