

RANGOLI DESIGNS

Rangoli is a decorative art used in India. The designs are to be placed near doors or entrances as a sign of welcome. First the design is drawn and then colored sand or powdered chalk is poured on top. Color this place with Crayola® Colored Pencils or Colored Chalk. Glue to a piece of thin cardboard and trim around design. With a hole punch, punch a hole in the top and string a ribbon or yarn. Hang in the window or on your front door as a welcome sign to friends.
