AMERICA THE BEAUTIFUL

by Katherine Lee Bates

Oh beautiful for spacious skies, For amber waves of grain,
For purple mountain majesties, Above the fruited plain!
America! America! God shed his grace on thee,
And crown thy good with brotherhood, From sea to shining sea.

The Tea Party

The Tea Party calls upon our representatives to limit the government's role in everyday life, and to support people and businesses, but not demand from, control or over tax the people or businesses. The government should never become a burden in our lives. The Tea Party represents freedom, liberty, limited government and the ability to achieve success on an individual basis with economic freedom.
