

**L is for Letters.** Everyone loves to get letters, whether on paper or e-mail. Encourage your children to write or draw letters to friends and relatives. Try to use as many L words as possible in the letters. Remember to let your kids lick the stamps and lift the mailbox handle.

**Lots of Ls.** L is such an easy letter to write with just one or two straight lines. Encourage kids to make many capital and lowercase Ls using crayons, markers, ribbon, or yarn.
