

A shepherd boy,  
David, told the king  
he would fight  
the giant.

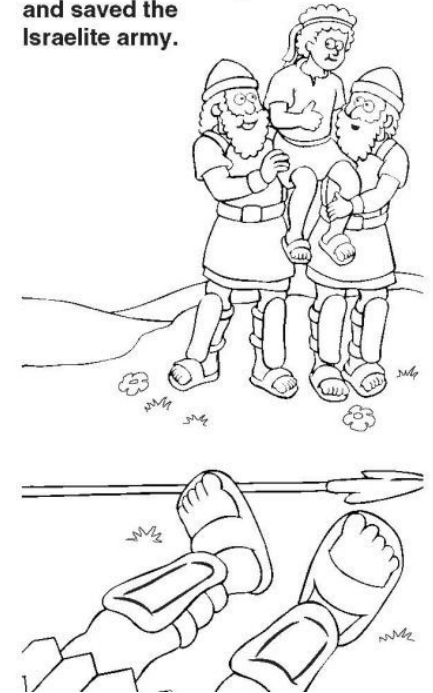

David swung his slingshot over  
his head and let the stone fly  
toward the giant.

David's little stone flew  
through the air and knocked  
Goliath to the ground.

With God's help,  
David defeated the giant  
and saved the  
Israelite army.

David knew that  
God would  
help him  
defeat  
Goliath.
