

1. Print out several copies of this page and color the fish with Crayola® crayons or markers. Cut out each fish and punch a hole in the tail fin of each fish.

2. Fold the tail up. Unfold a paper clip to make your "fishing" hook. Tie a string to the hook. Holding the string end, "go fishing."

3. Add up the points. After all the fish have been caught, which player has the most points?
