

Faith in Jesus Christ

Two blind men came to Jesus Christ and asked Him to heal them. Jesus asked if they believed that He could restore their sight. The men said, "Yea, Lord." Then Jesus touched their eyes and said, "According to your faith be it unto you." When they opened their eyes, they could see. (See Matthew 9:27-30.)

Color this picture illustrating the event. You could use the picture to talk about faith during family home evening or Primary. ●
