

Name _____

What my gRaph tells me...

What color did you spin the most?

What color did you spin the least?

How many times did you spin purple?

Which color did you spin more... yellow or pink??

How many times did you spin blue and red together?

Which colors did you spin more than five times?

Which colors did you spin less than five times?

Which color did you spin less... orange or green?

How many more gray spins do you need to make 10?

Do you have any colors that have equal spins?
