JANUARY 15, 1929 - APRIL 4, 1968

Martin Luther King Jr. Memorial - Washington, D.C. USA

“Injustice **anywhere** is a threat to
justice **everywhere.**”

“Hate cannot drive out hate, only love
can do that.”

“The time is always right to do
what is right.”

From 1954 until his death in 1968,
Martin Luther King Jr. was a leader and
spokesperson for the American Civil Rights
movement. His message changed the world
and we honor his legacy every year on the
third Monday of January, MLK Day.
