

# MARTIN LUTHER KING JR.

JANUARY 15, 1929 - APRIL 4, 1968

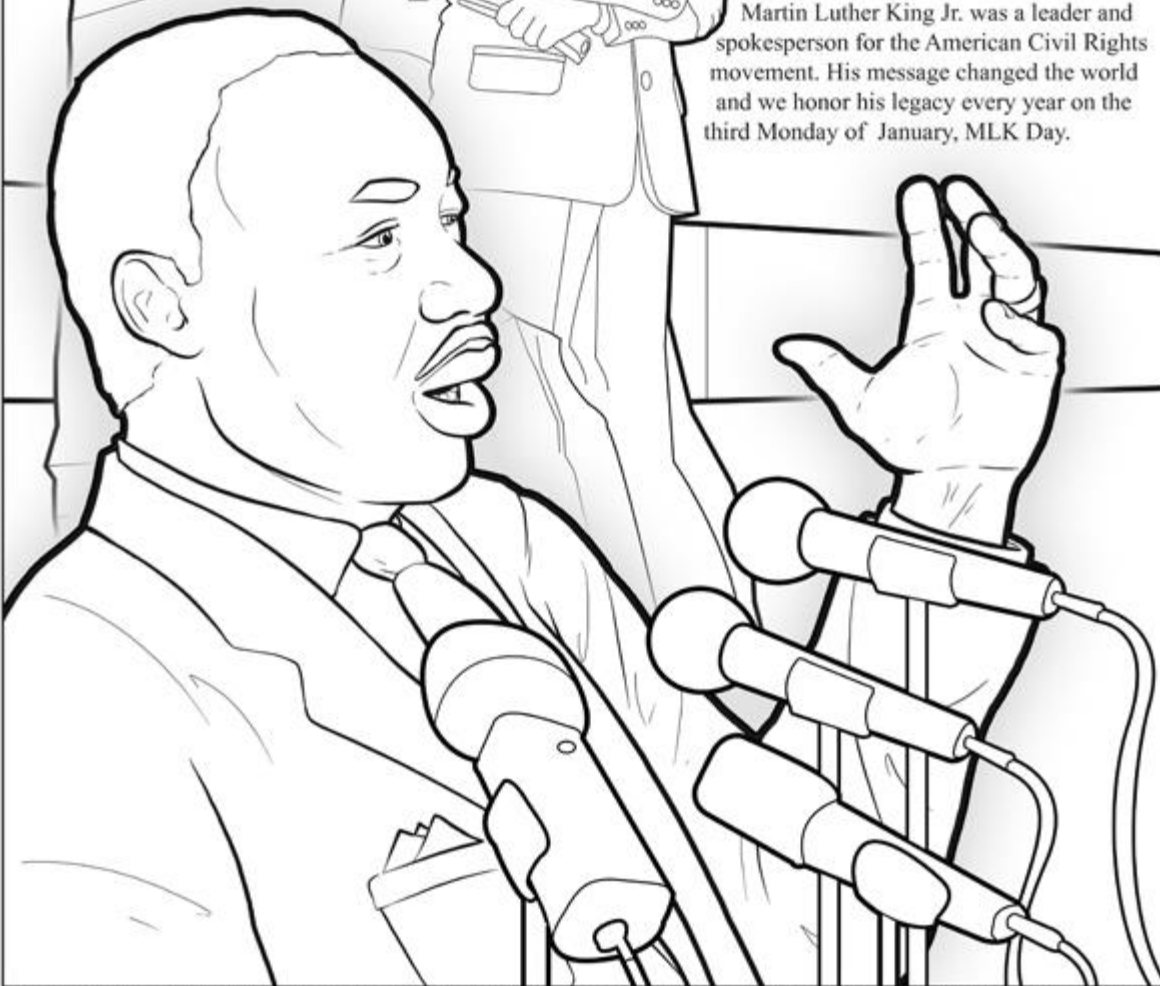

**“Injustice anywhere is a threat to justice everywhere.”**

**“Hate cannot drive out hate, only love can do that.”**

**“The time is always right to do what is right.”**

From 1954 until his death in 1968, Martin Luther King Jr. was a leader and spokesperson for the American Civil Rights movement. His message changed the world and we honor his legacy every year on the third Monday of January, MLK Day.
