

FLAG OF MEXICO

Addition & Subtraction

1. Add or subtract the numbers in the picture. Color each area of the picture with the color that matches the answer:

The illustration is divided into three vertical panels. The left panel contains five sections with math problems: $2-1$, $6-5$, $8-1$, $4-3$, $5-4$, $1+0$, and $10-9$. The central panel contains a detailed drawing of the Aztec eagle on a cactus with a snake, with math problems $3+0$ and $8-5$ overlaid on it. The right panel contains four sections with math problems: $2+0$, $6-4$, $10-8$, $5-3$, $9-1$, and $1+1$.

Green 1

Red 2

Brown 3

Orange 4

2. Cut out your colored flag and glue it to a stick or straw.
