

Loop a string through each metal washer and through each hole. Allow 5 to 5-1/2 inches of double-string to dangle between each washer and hole. Tie each string in a double knot. Trim loose ends.

Fold rectangle in half on fold line, covering up the five holes and knots.

Staple once on the left and right lower edge.

Decorate front of wind chime with jewels and glitter glue pens. To hang, thread string between the two holes on top.

You will need 5 metal washers in these sizes:
 1-1/2 in. (qty: 2) / 2 in. (qty: 1) / 1 in. (qty: 2)

Wind Chimes
