

What can make a cloudy day turn sunny and bright?  
What can turn the darkness into a starry night?  
What can make me want to share instead of fight?  
It's that great big wonderful, oh so powerful  
--magic of Love!

什么能使乌云天转为晴朗  
什么能使黑夜转为星辰满布?  
什么能使我分享而不争吵  
是那伟大奇妙的  
那么有力的爱的奇迹!
