

Head Strap

Bunny Face

- 1) If printed in black and white, color or paint and let dry.
- 2) Cut out the bunny face, ears, and the rectangles (also called head straps)
- 3) Cut out the eyes on the bunny.
- 4) Fold the bunny ears in half on the dotted lines and glue them to the top of the head.
- 5) Glue, tape, or staple as many head straps together end to end as you need to fit your child's head.
- 6) Glue the strap to the bunny face about as high as the bunny's eyes.
- 7) Play!
