The grid contains numbers 1 through 339. Each number is associated with a symbol: a triangle (▲), a square (◻), a circle (●), or a diamond (◆). The symbols indicate which set from the legend the number belongs to. For example, numbers 1-7 are marked with a circle, numbers 8-10 with a square, and so on. The numbers are arranged in a large, irregular triangular shape, with 1 at the top left and 339 at the bottom right.

**Tip:** Check off each set when completed.
