

GOD BLESS AMERICA by *Irving Berlin*

Verse: While the storm clouds gather far across the sea, Let us swear allegiance
to the land that's free,

Let us all be grateful for a land so fair, As we raise our voices in solemn prayer.

God Bless America,

Land that I love.

Stand beside her, and guide her,
Thru the night with a light from above.

From the mountains, to the praries,
To the oceans white with foam.

God Bless America,

My home sweet home.

The United States Capitol

Capitol, United States, is the building where Congress meets.

It stands on Capitol Hill in Washington, D.C. Besides serving as government office building, the Capitol is a symbol of the United States. Each year, about 10 million people visit the Capitol. Rooms open to the public include the chambers where the House of Representatives and the Senate meet.
