

Covered Wagon Horse

1. Print out this page and decorate with Crayola® crayons or markers. Cut out one of each shape and glue to a thin piece of cardboard. For example, a recycled cereal box. Trim cardboard. Glue the matching shape onto the back of the cardboard piece.
2. Cut a slit on each dotted line. Fit each piece together by sliding into the slots and matching letters.
3. Attach a string around the neck of the horse and attach to the Covered Wagon. Print out more copies for more horses.
