

PLANTS  
VS.  
ZOMBIES

The image features a stylized, black-and-white graphic design. The word "PLANTS" is written in a large, bold, sans-serif font at the top. Below it, the word "VS." is centered within a circular emblem. The word "ZOMBIES" is written in a similar large, bold, sans-serif font at the bottom. The entire text is framed by decorative elements: a row of stylized plants with spiky leaves and round, multi-seeded fruits (resembling pumpkins or berries) runs horizontally across the middle, behind the "VS." emblem. The letters of "PLANTS" and "ZOMBIES" have a slightly irregular, hand-drawn appearance.
