# Make your own JANUS MASK

January is named after the Roman god, Janus. He is always pictured with two faces, one looking into the past, the other into the future.

Make Your Own:

1. Decorate the picture above.
2. Cut out the picture carefully and also cut out the eyes.
3. Using a hole punch , punch holes over the two circles.

4. String ribbon through each side of the mask.

Now put on your mask and have some fun!
