

Turtle

Directions:

1. Print out this page and color with Crayola® crayons or markers. Cut out one of each shape and glue to a thin piece of cardboard, such as a recycled cereal box or manila folder. After the glue dries, cut out the cardboard shapes.

2. Cut out the other shapes from the printed page. Glue the matching shape to the back of each cardboard piece.

3. Cut a slit on each dotted line. Fit the pieces together by matching the letters and sliding the slots into each other.
