

Arkansas

- The background of the flag is a crimson red.
- Arkansas is the only state in which diamonds have been discovered, thus the white diamond surrounded by a blue diamond on the flag.
- There are 25 white stars on the blue portion of the diamond. Arkansas was the 25th state to join the Union.
- The bottom three large stars are blue and represent Spain, France and the United States.
- The top star is also blue and represents the Confederacy.
- The word Arkansas is also in blue.
