

A Rainbow of Hope

God told Noah to build an ark because He was going to send a flood. During the flood, God took special care of Noah, his family, and the animals inside the ark. God takes care of you too. He washed away your sin through the water of Baptism and made you His special child.

After the flood, God put a rainbow in the sky. What do rainbows remind us of? As you find your way through the maze, put the letters your path runs through in the blanks in the ark.
